NEW NAMES AND TEMPORARY NAMES IN ESTABLISHMENT BILLS.

To all Heads of Offices. Circular No. 1668, *dated 27th July* 1886.

The Comptroller has the honor to observe that a great deal of trouble is caused to this office by the non-observance of the rules prescribed in Rule 8 of Chapter 4 of the Civil Account Code and Section 106 of the Civil Pension Code, and to request that when the name of any person appointed to superior service appears for the first time in an establishment bill, a certificate should be attached—

(1) as to physical fitness, if the person appointed be a new employé of Government, in the form annexed to Section 106 of the Civil Pension Code, or

(2) of last pay if transferred from another establishment.

2. It should be noted that when a Government Pensioner (retired on a compensation pension) is re-employed, the fact should be explained in the remark column with full details as to whether he has elected to relinquish his pension, or to retain the whole or any part of it and that re-employed invalid pensioners require health certificates.

3. It is requested that these directions may be strictly adhered to in future in respect to all establishment bills.
